CALVARY WEEKLY

FROM THE PASTOR

2021 - New Year...Same Solution

Simply stated, "Jesus is the answer for the world today." It may seem trite or over simplified, but it's actually true. Every division in America and the world is solved when Christ TRULY IS LORD! Political division, racial division, economic division, long division...er...maybe not that one.

Whatever the issue is that faces us today, tomorrow, and for the rest of this year, let the Spirit of Christ and His word in you determine your action and the role you play in the solution. Quite often, putting others ahead of yourself (what Christ commands), prioritizing giving over receiving (what God commends), and following Jesus footsteps in our daily walk (what he expects) will bring healing to the situation.

When our actions follow what Jesus would have us do, chaos is often avoided. If chaos occurs, it is quickly diffused. And when it persists as persecution for righteousness, we are blessed.

Take these thoughts with you before the Lord and let him show you how you can rise above chaos to be an instrument of peace and a distributor of the good hope that we have in Christ.
