Go!

Yes, it's that simple.

Yes, it's that important.

Mark 16:15

15 He said to them, "Go into all the world and preach the gospel to all creation.

Preach the Gospel It's not complicated.

Go! Do what? Preach the gospel. Talk about and tell about what Jesus has done for everyone. Tell the part you know best - the part about what he did for you.

Go! Where? Anywhere and Everywhere. You can't go to the wrong place if you've gone somewhere in order to obey the command.

Go! To Whom? To anyone who will listen. Everyone needs to hear it. You won't be able to tell everyone on the planet, but you can tell everyone you take the time to share with.

The call for every believer in Christ is to "Go!" Get going following him into the streets, into the workplace, into homes, and into people's lives.

The reason for this command is simple. If the good news is not spread, then the effects of Christ's sacrifice are felt on less lives. The next life that will be transformed by the gospel is dependent upon the one who is GOING to share. The next person you want to see transformed by the gospel needs someone to GO and share the truth. Will it be you?.
