CALVARY WEEKLY

FROM THE PASTOR

What role do you play in the Kingdom of God? How do you fit into the grander plan of our God?

As we Run to Win, we do so together, and it is important to be able to identify at least some of how that togetherness works. Some things we can't discern exactly and we have to accept by faith that God guides our steps. And then there are those things we can and must know in order to serve well.

The Body of Christ, as we are called in His word is joined together at joints, by ligaments, and moves together in coordinated unison. How many successful people do you know who cannot coordinate their lives? It may not be physical coordination, but it may be that they can coordinate their thoughts, creativity or emotions in a way that allows them to thrive in their area of expertise.

An uncoordinated athlete...probably doesn't make it to the pros.

An uncoordinated mind...probably doesn't do well as a counselor.

An uncoordinated logic...probably doesn't do well programming computers.

An uncoordinated body of Christ...probably won't excel at her calling.

How can we get better in sync with one another and in sync with the Holy Spirit? We'll unpack a few things this weekend as we look to God's word for some answers.

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.
