## FROM THE PASTOR

### Your Words Matter

*Death and life are in the power of the tongue, and those who love it will eat its fruits. Proverbs 18:21*

As a kid, there was a poster hanging in my bedroom with a cute little duckling. It said, "Think before you quack!"

I don't recall it being my choice to hang that poster. Maybe my mom knew I would need those words of wisdom, even at a young age. The problem? I still don't always heed the warning.

Jesus had plenty to say about our words. The apostles address the power of the tongue throughout the New Testament. All this focus on our words might just be a hint that we should pay attention.

With all that is going on in our world right now, opinions are prolific and so are the expressions of them. As followers of Christ, we need to watch what we say. There is a place for Righteous indignation. We need to be upset when we see injustice. There is a place for the proclaiming of truth. Christ said TRUTH sets us free (John 8). But let us hold our tongues and rely on Holy Spirit and the timing of God to speak the right words at the right moment. We can obey what Paul says, and our words can become effective for building others up, not for tearing others down (Ephesians 4).

The "tongue" is mightier than the sword. Words cut. Words start fires. Words destroy. However, God gives us opportunity daily to use our words to heal. To comfort. To restore.

Let's use our words for God's redemptive purpose and let them be "like apples of gold in settings of silver."  
Proverbs 25:11

## GIVING

The opportunity and responsibility to be generous remains. "How" you give may change, but "that" you give continues to be expected of the Lord. The ministry budgets have shifted as well, but we continue to seek the Lord for how we can be used during and beyond this time. Your contribution to the work of ministry at Calvary can be online through the website, through the mail, or dropped off at the church. Please also remember that Missionaries still depend on our monthly support, and our benevolence ministries are in full swing right now.
