CALVARY WEEKLY

FROM THE PASTOR

And when he drew near and saw the city [Jerusalem], he wept over it. - Luke 19:41

Why weep? What was happening in Jesus' spirit that caused him to weep?

Think about it. This weeping over Jerusalem happens within a week of his crucifixion. The city was full of people who hated him. Pharisees who loved their religion and power over the people more than they actually loved God. Roman occupiers who cared little about any of the Hebrews, especially this guy who often ruffled some feathers amongst the Jewish elites. Then there was the mixed bag of fickle and easily swayed masses who loved Jesus one minute, but would quickly turn and yell "Crucify him!"

Jesus wept over these people in Jerusalem. In Matthew 23, the same account has Christ expressing how he longed to care for them, protect them and see them transformed by his love, but they would not receive it.

What would Christ have us think about the world we live in? What about your town? Your home owner's association? Your union or workforce? If they already love him, he is pleased. If they hate him, his heart is broken for them.

As we gather this weekend, we come together to capture God's heart for the lost. Come expectant to have the Holy Spirit speak to you and encourage us as we move forward in our vision to be FOR Crystal Lake.
